## COMPANY PROFILE

Ocean ceramic have united the toughness of ceramic tiles with modern technological advances and customer aspirations to produce range that is vast choice. With over 17 years of experience in this field and in depth knowledge of markets both in India and abroad, the promoters of Ocean Tiles have set up a world class integrated production facility to manufacture and supply high quality ceramic tiles. The designs, size, colors and surface finishes will be made keeping in mind the needs of the India consumer

Trust, quality and reliability have been the watchwords of Ocean Tiles and they plan to continue fulfilling the expectations of their vast array of customers. Total customer satisfaction via abortion of quality management systems in all spheres of activity guarantee adherence to predecided standards. The company natures each relationship be it with the trade, consumers or supplies. This has established Ocean Tiles as a reliable and trustworthy entity capable of overcoming market challenges.

Just like their historical counterparts, Ocean Tiles will be around to witness future market developments and participate in remaking the personality of the humble ceramic tile.
